

James Denning – Brochure – Jamabi Flier

Jamabi combines online video and e-commerce, enabling viewers to follow up a video with a purchase, donation, tip or mailing list sign-up.

I created this flier to quickly show the key ideas behind the Jamabi player and give a prospect something they could keep. It was very useful in situations where a demo was inconvenient or impossible.

The screenshot shows a Jamabi product page for 'The Bowbanks - Up in the Sun'. At the top, there is a navigation bar with links: BUY, COMMENT, SHARE, USER CHANNEL, HELP, and RETURN TO MEDIA. The product title is 'The Bowbanks - Up in the Sun'. Below the title is a small image of a person playing a guitar. To the right of the image, the text reads: 'Downloadable Product', 'Category: Music', 'Posted By: TheBowbanksMusic', and 'Description: Our new collection, recorded live on the road in California. It's 10 tracks of surf, sand, sweat and sunscreen, plus some bonus material just for our fans. No overdubs, no filler, just the soundtrack of your summer.' Below the description, the price is listed as '\$10.00' with a note 'Price includes all taxes and handling.' There are links for 'View our Privacy Policy and Terms of Use.' and a checkbox for 'I agree to the terms of use'. At the bottom, there is a 'Confirm Purchase' button and a note 'Jamabi accepts credit cards and PayPal'. To the right of the button are logos for PayPal, VISA, and AMERICAN EXPRESS. Below the logos, there is a red warning message: 'You may need to temporarily allow pop-ups to complete this transaction.'
